STATEMENT OF UNINTENTIONAL DELAY

The Applicant respectfully submits that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137 (b) was unintentional.

An Amendment A, in response to Office Action dated October 4, 2001, was faxed by the Applicant to the USPTO on February 1, 2002. Copies of the faxed documents, which includes a copy of the fax transmittal sheet, are attached.

The Applicant respectfully advises that he was unaware that the fax transmission had not been received by the Examiner and that a Certificate of Transmission was to accompany the facsimile. This last fact became known to the applicant in the middle of 2002 when a US Examiner informed the Applicant on another US application that the Certificate of Transmission was necessary when responding to US Office Actions by fax.

The Applicant also advises that the status of this application has been changed from "Small Entity" to "Large Entity" and a letter advising this is attached. A ~~credit card~~ *Bank draft* ~~payment form~~ to cover the extension of time fees under the Large Entity Status of \$110.00 and the petition fee is also attached.

The Applicant respectfully requests that the Notice of Abandonment now be removed and that the application be reinstated for prosecution.
